In the present communication, Claims 83-92 and 94 have been cancelled in order to expedite the prosecution of the present application, without acquiescing to the Examiner's rejections, while reserving the right to prosecute these claims in the future. The only remaining claim is Claim 93. The only remaining rejection of Claim 93 is a provisional double patenting rejection over certain claims of serial number 10/719,913. Applicants have included a terminal disclaimer with this communication. As such, Applicants submit that Claim 93 should be passed to allowance as the Examiner has indicted that this claim is free of the prior art.
